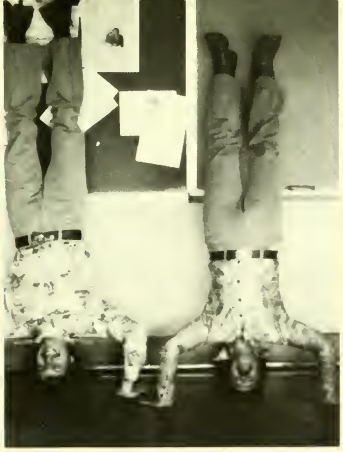
REFLECTIONS - 1978

Memories light the corners of my mind

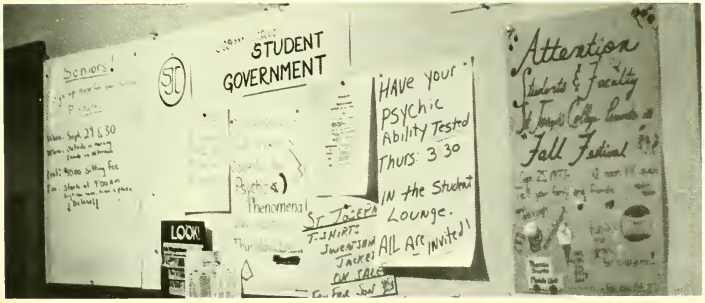
Smiles we gave to one another

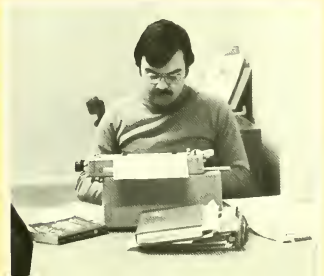
For the way we were



Can it be that it was

all so simple then





Or has time

rewritten everyline?

If we had the chance
to do it all again

Tell me . . . . . would we?

Could we?

So its the laughter we will remember

Whenever

We remember

The way we were

Flowing knowledge, dedication, coffee and tea . . .

S. Myra Paul

All of these express the qualities of one special teacher —

To whom we dedicate this yearbook.
